Educational/Professional Background

Graduated summa cum laude and Phi Beta Kappa with a BA in Mathematics and Computer Science from Colgate University.

Currently Partner at Osborne Partners, and Practice Head for Asia and the Middle East. Prior to joining Osborne Partners, was a Senior Managing Director in FTI's Economic and Financial Consulting segment. Founded and led FTI's Economic Consulting and International Arbitration practice in India having joined in November 2009 as a Research Analyst.

Broad range of experience in issues including valuation of businesses and shares in relation to intellectual property disputes and valuations, shareholder and joint venture disputes, private equity investments, investment treaty claims, competition and anti-trust matters, calculation of lost profits and wasted costs, spectrum auctions and market, financial and economic analysis, research, and study. Industry experience encompasses energy and power products, consumer and branded goods, real estate, hospitality, industrial gases, oil and gas, mining, petrochemicals, diversified and industrial materials, TMT, financial services, travel, and aviation, among others.

Appointed as an expert in domestic and international arbitrations and in competition matters, in India as well as globally. Testified before tribunals on numerous occasions (around 40 times) since 2017 on claims ranging from USD 5 million to almost USD 2.0 billion and has worked on over 100 expert matters.

Mediation Style

Facilitative Mediation

Mediation Experience

Supported mediation concerning two family disputes concerning division of assets and construction of will. Both cases were amicably settled.
