Summary:

Matthew Wills has over 20 years' experience in the provision of commercial, quantity surveying, estimating, claims and disputes advice to local and international contractors, owners, and operators in the oil and gas engineering, procurement, and construction industries.

For the last 15 years, Matthew has principally been involved in offshore floating production (FLNG, FPSO, FSO) and Drilling industry, the onshore oil and gas industry (LNG, LPG, Refinery, Process and Chemical Plants) and the Marine and Shipping industries (Newbuild, Repair and Conversion).

This has involved providing contracts advice and administration advice, claims, change order assessment, arbitration and dispute management, expert witness (quantum & technical) appointments in both domestic and international dispute forums, ADR advice.

A notable successful appointment has been as the technical expert in the Singapore Court of Appeal case of KS Energy Services Limited v BR Energy (M) SDN BHD [2014] SGCA 16.

This expert has recently been instructed by:

- Reed Smith
- Hogan Lovells
- Wong Partnership (Singapore)
- Shalakany Law Office (Egypt)
