Profile

Andre Toh is a Partner of Ernst & Young in Singapore and the ASEAN Leader for Valuation & Business Modelling. Andre has more than 18 years of experience in all aspect of valuations, damage assessment, intellectual property identification and evaluation, business models and sustainability. He is part of the Ernst & Young Global Valuations Discussion Group for financial reporting and a member of the Valuation Sub-committee of Institute of Singapore Chartered Accountants (ISCA) Financial Reporting Committee. He is also a member of the Working Committee with Intellectual Property Office of Singapore (IPOS) on accreditation framework for valuers. He speaks regularly in seminars and conferences on valuations and has written various articles on this topic. Andre has acted as an expert in the Courts of Singapore as well as arbitration proceedings. He is a Chartered Accountant with ISCA and a Fellow with CPA Australia.

A selection of Andre's seminar and appointments include:

- ▶ Intellectual Property Office of Singapore and World Intellectual Property joint seminar: Intellectual Property Management for C-Suite (Singapore)
- ▶ Global Institute of Intellectual Property (GIIP) and Multimedia University Malaysia joint workshop: Intellectual Property – Creation, Management and Commercialization (Malaysia)
- ▶ France-Singapore Patent Symposium, where Andre moderated the case study on the valuation of a mock IP asset
- ▶ CPA Australia Financial Reporting Standards Forum – Fair value measurement
- ▶ ISCA Financial Services Regulatory Commission (FSRC) Seminar
- ▶ Institute of Valuers and Appraisers of Singapore (IVAS) Business Valuation Conference
- ▶ Appointed as the independent expert to assist the Singapore Police force in examining the records of a specified company and commenting on its business model.
- ▶ Appointed as the independent expert to comment on opinions provided by another expert with regards to the assessment of losses and damages suffered by a SGX-listed company in manufacturing due to the departure of key employees.
- ▶ Appointed as the independent expert in an arbitration over a commercial dispute between a major player in the Singapore energy and utilities industry and a gas transporter.
