Testimonials (optional)

“I have heard of Poomima Hatti ever since I entered the world of mediation more than a decade ago. She was frequently referred to as an ‘ADR person’. She has succeeded immensely in the legal practice, maintaining her commitment to ‘ADR’. I had the opportunity to mediate a case in which Poomima represented an international client as an attorney. Her clear thinking, strong ability to protect her client and garner a spirit of collaboration into the room is much appreciated. My colleagues and I invited her to be an ‘Advisor’ to CAMP Arbitration and Mediation Practice Pvt. Ltd. She supports us with ideas, thoughts and conducts sessions in the training for ‘Mediation Advocacy for Lawyers’ at CAMP. We are proud to have her with us and believe that she can make valuable contributions to the ADR movement in India. “
